

# MPA-M44UL Secure Variable Angle Wall Mount

For Monitors 32" -55"

## Most Secure Solution on the Market

- Integrated dual lock and key security prevents unauthorized removal or tampering
- Steel covers prevent access to mounting screws for added level of security
- Variable viewing angle, up to 55° of pivot, depending on the size of TV
- Universal design fits monitors from 32"-55" with VESA patterns from 100x100mm through 400x400mm

## Ideal Solution for the Hospitality Market

In-room solution allows just enough manipulation by the guest to attain a perfect viewing angle while maintaining the highest level of security and tamper resistance

### VARIABLE VIEWING ANGLE

#### 15" Extension

TV can be pulled out and swiveled to achieve up to 55° of pivot (depending on TV size) and retracts to less than 3" from the wall.

### ANTI-THEFT & ANTI-TAMPER SECURITY

#### Security Covers

Block access to monitor attachment points and prevents removing or tampering

#### Proprietary Lock & Key Security

One-touch lock system prevents removal of TV. Provides a deeper level of security than standard security screws. Laser cut keys can not be duplicated

#### 6-Point Wall Connection

Attach to wall backing with up to 6 bolts for a long lasting and secure installation
