

MUSTANG™ **FIXED FRAME 16:9 S C R E E N**

Mustang's Fixed Frame Projection Screens easily assemble and install to a wall. When looking for clean-line design that also delivers top of the performance, choose Mustang's Fixed Frame Projection Screen. Assembling in just minutes, the black frame locks together, and the fabric material of the screen slides into place. The matte white screen surface optimizes brilliant color, allowing for vivid imaging. The high quality brushed aluminum frame has a sleek modern appearance and absorbs projector "over scan". When your image matters, Mustang's Fixed Frame Projection Screen delivers quality top of the line video performance.
