Articulating mount for 37" to 80" displays*. Multiple joint arms hold displays 3.4" from wall when retracted and 27" when fully extended. Smooth tilt adjustments of +15° (forward) and -5° (back) with a locking knob and 3° side-to-side roll facilitates a variety of viewing angles and perfect positioning. Makes a secure installation quick and easy, simply hang the display and turn the pre-assembled securing screws to lock in place. Integrated cable management for clean look.
