

# MPDS-M44UL Bolt Down Security Table Stand

## Universal Mount For 32-55" Displays\*

### Best In Class Security Table Mounting Solution

- Integrated security at every connection point and proprietary one touch lock and key system makes this the most secure stand on the market
- 30° or 45° degree swivel lock prevents over-rotation and possible collision with wall or furniture
- Through column cable management allows for cables to be routed through the mounting surface and out of the way of hotel guests
- Universal design fits displays from 32"-50" with VESA patterns from 100x100mm through 400x400mm

Model	Display Size*	Max VESA	Total Load
MPDS-M44UL	32" - 55"	400 x 400mm	150lb

\* Display size is meant as a guide – Compatible display sizes can be larger or smaller depending on the VESA and weight of the display.

#### ANTI-THEFT & ANTI-TAMPER SECURITY

##### Security Covers

Block access to monitor attachment points and prevents removing or tampering

##### Proprietary Lock & Key Security

One-touch lock system prevents removal of display. Provides a deeper level of security than standard security screws. Laser cut keys can not be duplicated

##### Recessed Security Screw

Prevents access to surface attachment point without a special tool

#### SMOOTH SWIVEL

##### Swivel Regulator

Set the swivel angle at 30° or 45° to prevent collisions with wall or other furniture

#### CABLE MANAGEMENT

##### Through-Column

Cables may be run from display to either the bottom of the stand or all the way through the mounting surface and completely out of sight
