

# MPM-X85U and MPM-X85U-EDU

## Heavy Duty Mobile Carts

for displays from 50" - 90"\*

### Four Display Height Positions

Regardless of whether a 65" or 90" display is installed, achieve the perfect viewing angle by choosing from four height positions.

### Configurable Shelves

Choose from multiple shelf options. Flat component shelves can be mounted in front or behind the display and are vertically adjustable. Side shelves are vertically adjustable, can pivot from front to back and retract for storage. Adjustable top shelf is ideal for a speaker or video camera.

### Back Cover

For clean and tamper-proof installation of components the back cover will provide a practical, tamper resistant way to attach components such as media players and cabling.

### Integrated Cord Management

Through-column cord management for a clean installation. Also includes cord wrap claws, capable of storing up to 50' of heavy gauge cord at the base.

\* 800mm x 500mm max mounting hole pattern

## Where will you use the Education Carts?

Auditoriums, Cafeterias, Classrooms, Computer Labs, Entrance Ways

As technology continues to evolve, this large format cart allows for an interactive, collaborative and dynamic learning environment in the classroom and auditoriums. These mobile carts also allow flexibility with providing communication anywhere throughout the education facilities.

### CORD MANAGEMENT

Integrated cord management openings along both columns and integrated cord claws capable of holding up to 50 feet of heavy gauge electrical cord.

### MPM-X85U-EDU

**Base Model + Back Panel and Cover + Two Side Shelves + Top Shelf**

Specifically configured with the classroom in mind, this model includes the MS9S back panel and cover for neatly housing components and preventing unwanted tampering in the field. Also includes two side shelves for placing a laptop, other components or for use as a general work surface. The adjustable top shelf is ideal for a speaker or video camera.

### MPM-X85U

The base model includes tilt brackets with built-in dual keyed locks. Features through-column cord management, cord wrap brackets capable of holding 50 feet of heavy gauge extension cable and removable handles for safely transporting the cart. Constructed of heavy duty high grade steel with epoxy powder coating and heavy duty lockable casters.

## Included with the MPM-X85U-EDU

### MPMS-BPCS

**Back Panel and Cover System**

Perforated back panel allows easy attachment of components and convenient cable management. Back cover keeps components out of sight to prevent unwanted tampering. Cover can be lifted after installation for easy access to components. Security screws are included to prevent removal in the field.

### MPMS-9S

**Side/Laptop Shelf**

Installs on either right or left side. Continuous vertical adjustment. Retractable for transporting and storage with 35lb capacity.

### MPMS-9B

**Front/Back Shelf**

Heavy duty shelf can be installed either on the display side or behind the display. Continuous vertical adjustment with 50lb capacity.

### MPMS-9T

**Top Shelf**

Vertically adjustable top component shelf. Ideal for placing a speaker or camera for video conferencing.

For displays from 50" - 90"
