FlexWall™

Multi-Display Matrix Solution
Ceiling / Floor

Modular and Expandable

Fully modular mounting solution for creating multi-display video matrixes that can be hung from the ceiling or floor-based configurations that are tethered to either wall or ceiling.

- Fully modular solution for multiple displays 40" to 60"+

- Easily assembled by a single installer

- Infinite width - up to 4 rows high

- Lockable quick release latch extends the display

- Vertical, plumb and lateral shift adjustments

- Per-display easy quote/easy order system

- Safety latch included – engage lock for security

- Includes all necessary components and hardware

10.69" of extension for easy wiring.

Built in mechanical adjustments at each display for easy leveling of matrix. Includes vertical, leveling, lateral shift and plumb adjustments.

Telescoping horizontal sections reduce the need for precise measuring at the ceiling structure
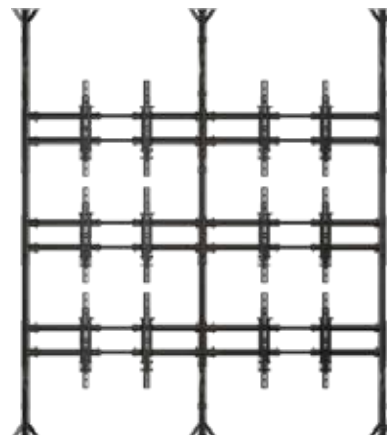

MPVW-MODC-M86V
(40-47" displays)

MPVW-MODC-L86V
(47-60"+ displays)

- Attach to Unistrut or other ceiling structure (rated to support weight).

- Rated up to 100lb per display.

- Add optional drop length by adding extension columns.

MPVW-MODFW-L86V
(47-60"+ displays)

- Anchored to the floor as the load bearing surface and tethered to the wall.

- Includes hardware for up to 12' from floor to wall.

- Rated up to 100lb per display.

- Add optional drop length by adding extension columns.

MPVW-MODFC-M86V
(40-47" displays)

MPVW-MODFC-L86V
(47-60"+ displays)

- Anchored to the floor as the load bearing surface and tethered to the ceiling.

- Includes hardware for up to 12' from floor to ceiling.

- Rated up to 100lb per display.

- Add optional drop length by adding extension columns.

MUSTANG
PROFESSIONAL

Attribute	Value
Display size	40" - 60"+
Weight capacity	100lb (45kg) per display
Max mounting pattern	800x600mm
VESA mounting patterns	200x200mm, 300x200mm, 300x300mm, 400x200mm, 400x300mm, 400x400mm, 600x200mm, 600x400mm, 800x400mm, 800x600mm
Lateral adjustment	varies with display
Max extension	10.75"
Mounting surface	wood joist, structural wood or structural concrete (accesory required HE4)
Construction	high-grade cold rolled steel
Product finish	scratch resistant epoxy powder coat
Color	black
Model numbers	MPVW-MODC-M86V, MPVW-MODC-L86V, MPVW-MODFC-M86V, MPVW-MODFC-L86V, MPVW-MODFC-M86V, MPVW-MODFW-L86V
Warranty	Limited lifetime

Fully modular, the Video Matrix can be easily assembled by a single installer, and includes all of the necessary components as well as the hardware needed to complete the installation. Add optional drop length by purchasing additional columns. Systems designers need only to know the size and number of displays to be used; we'll kit the complete mount system and ship it to the location requested. Prices are based on the number of displays to be mounted.
